

Lehigh Valley Blues Network
Monthly Board Meeting
August 27, 2006
Club 316, Emmaus, Pa.

President Walt Garvin seconded by Glenn Wasserman, called the Meeting to order.

Present were President Walt Garvin, V. President Jim Mertz and Board Members: Bob Hall, Mat Roman, Barry Hay, and Glenn Wasserman

Walt Garvin reported that starting next month that Stanley was doing some special events at the Club 316, and they would over lap our Sunday night Jam. These events will be advertised through Merge and will mention our LVBN Jams.

There will not be a Sunday Jam Labor Day September 3rd, and regular jams will resume on the 10th.

Jim Mertz reported that he deposited approximately \$1,000 from our involvement at the Pocono Blues Fest, but that does not reflect our costs for the weekend. The Board all voiced the opinion that we felt that this was an important event and that the LVBN presence was very important there.

It was brought up that many people questioned why the LVBN was not involved in Musikfest, being that it is right here in the LV. We realize that number one it usually involves major costs. It was agreed that we would look into how we can get involved with it next year or sometime in the future.

Our next edition of the Blues Net, we are expecting to be out and delivered by October 1st. We will have to have all camera ready adds in by September 18th, so we can have it to the printer no latter than September 25th. It is important that we all let everyone who is involved in music in the LV area know how important this is. That the Blues Net is their target directly to the people that will come out to hear their band, or come out to the club or venue that features music.

Glenn Wasserman suggested that the LVBN secure a P.O. Box for all mail and the board agreed. Walt and Glenn said they would look into where the best location for this would be.

We are looking into having a Halloween LVBN party probably October 28th at the Club 316 with a special Act that evening

Our next LVBN board Meeting is scheduled for September 24th at the Club 316 at 4:30pm.

A motion to close the meeting was made by Barry Hay and seconded by Mat Roman.

Respectfully submitted
Barry Hay
Secretary LVBN
